

All Saints Church, Daresbury

Project

All Saints Church Daresbury.

Product

Bespoke Glass Door Installation.

Overview

Nationwide Door Systems supplied and installed these frameless glass doors with bespoke handles creating a welcoming entrance to a new extension to this beautiful church. The extension is a new centre celebrating the life and works of Lewis Carroll. Daresbury is only a few minutes from Warrington. It is well known for its connection with Alice in Wonderland and author Lewis Carroll.

Technical Information

Our installation team fitted the screen which is manufacture from 12mm clear toughened glass with polished brass WSS patch fittings and Geze TS500 stand open floor springs. The entrance is completed with a pair of hand crafted bespoke handles.
